

Sprint 2022 Catalogue

A family owned Australian company. We have progressively grown adding new products to help clients, providing leading edge cleaning products. Specialising in manufacturing, we supply our products to the hospitality, healthcare, aged care, pet care, food processing, laundry, automotive and commercial industries.

Sprint Cleaning Products are well recognised for innovation and quality, delivering cleaning products that simply work better! We manufacture our products in bulk so we can pass on wholesale prices to our customers. We have a strong commitment to research and development, with multiple industrial chemists employed who keep up to date with the latest consumer trends and innovative technology. We are passionate about cleaning, having total commitment to continually improving product excellence, with a priority given to user and environmental safety.

Our product range and knowledge span a wide variety of industries which makes us a valuable partner to our customers as there is no problem we cannot solve together. Sprint Cleaning Products manufactures products that comply with Australian Standards. We aim to ensure that every product is user friendly, whilst achieving optimal performance and benefit to customers. We use 100% recyclable containers.
